

On behalf of everyone at Ignite, we would like to thank you for your support and patronage on our high performance ethanol racing fuels. We have enjoyed the many success stories shared from our customers and winning race teams during the 2014 racing season. It's been an exciting year to say the least!

*****News Flash Update- Ignite is pleased to announce the newest addition to our team of high performance products...Ignite Lubricants.**

These premium oils are designed to deliver the lubricant necessary for high performance and racing applications. The key advantages of our premium biodegradable base oil are their high natural oxidation stability, low volatility, and excellent viscosity- temperature characteristics.

Please refer to Ignite's website at www.igniteracingfuel.com or call 765-733-0833 for additional product information on our complete line-up of high performance racing fuels and lubricants. Ignite Racing Fuels and Ignite Lubricants looks forward to the opportunity of partnering with your business to meet and exceed your high performance racing fuel and lubrication needs. In the meantime, should you have any questions or want to place an order, please do not hesitate to contact us.
